*An investment in the future of  
Missouri wildlife*

Missouri Department  
of Conservation

Equal opportunity to participate in and benefit from programs of the Missouri Department of Conservation is available to all individuals without regard to their race, color, national origin, sex, age or disability. Complaints of discrimination should be sent to the Department of Conservation, P.O. Box 180, Jefferson City, MO 65102, OR U.S. Fish & Wildlife Service, 18th and "C" Streets NW, Washington D.C. 20240, Missouri Relay Center -1-800-735-2966 (TDD).

## Invest in Missouri's wildlife resources with a lifetime permit

A Missouri Lifetime Hunting or Fishing Permit is a good investment in the future of Missouri's wildlife resources. Lifetime permits offer hunters and anglers good value, prestige and convenience—all while helping to secure hunting and fishing opportunities for future generations. Money from sales of lifetime permits will provide a stable source of income for long-term fish and wildlife programs.

A lifetime permit will save you money through the years and will automatically protect you from any future price increases. Lifetime permits make a perfect gift, good for a lifetime of enjoying Missouri's outdoor opportunities.

## Enjoy a lifetime of hunting and fishing privileges

Lifetime fishing includes a fishing permit and a trout permit. It allows you to fish during any legal season, including

trout. Lifetime Small Game hunting includes a small game hunting permit and a migratory bird permit. It allows you to hunt small game during any legal season, including migratory birds and waterfowl. A Lifetime Conservation Partner Permit is a combination of the Lifetime Fishing Permit and Lifetime Small Game Hunting Permit. It allows you to hunt small game during any legal season, including migratory

birds and waterfowl and fish during any legal season, including trout.

Deer and turkey hunting and trapping are not included in the lifetime permits, and waterfowl hunters must also buy a federal waterfowl stamp.

A lifetime permit is valid for the rest of your life, even if you later move to another state. If you become a nonresident, your lifetime privilege is still valid in Missouri but you are then subject to paying nonresident fees for all other permit purchases.

## lifetime Permit Requirements

Missouri Lifetime Permits are available to **residents only**, and are available only from the Conservation Department headquarters in Jefferson City (an application is on the other side of this page). Residency requirements are the same as for any other Missouri resident permit.

To be a Missouri resident you must have had legal residence in Missouri for at least the past 30 days. Proof of residency is required. Please provide a photocopy of either your Missouri driver's license, Missouri voter registration or some other positive identification. In the case of minors (under age 18), residency of a parent is used to establish the minor's residence. Therefore, a photocopy of a parent's Missouri driver's license is required.

Anyone born on or after Jan. 1, 1967 is required to successfully complete a hunter education course before obtaining a firearms hunting permit in Missouri. Lifetime hunting permits can be purchased for a child of any age, but will not be valid until he or she successfully completes the hunter education course (the hunter education course is open to students age 11 and older).

Applicants age 11 and older who were born on or after Jan. 1, 1967 must provide on the application form their hunter education certification number, and include a photocopy of their hunter education certification card.

Missouri

Current year fishing, trout, small game hunting and migratory bird permits cannot be refunded or applied against the cost of the lifetime permit.

## Wait...there's more

To **recognize** lifetime permit buyers for their commitment to supporting the conservation of Missouri's fish, forestry and wildlife resources, lifetime permittees will receive:

A durable and distinctive plastic permit card to carry in the field. This card will be magnetically encoded for identification purposes.

Special mailings will be sent periodically to keep lifetime permit buyers updated on seasons, regulation changes and various other kinds of hunting and fishing information.
